Ayer's Hair Vigor, For restoring Gray Hair to

A dressing which is at once ngreeable, healthy, and effeetnal for prehair. Fuled or gray hair is soon restored to its original color,

with the gloss and freshness of youth Thin hair is thickened, falling hair checked, and baldness often, though not always, enred by its use. Nothlng can restore the hair where the cles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for ascillness by this application. Instead of foal-ing the hair with a pasty sediment, it will keep it clean and vigorous. oceasional use will prevent the hair from turning gray or falling off, and eonsequently prevent haldness. Free from those deleterious substances which make some preparations dan-gerous, and injurious to the hair, the Vigor can only benefit but not learn it. If wanted merely for a
